II. Read letter dated 26th December 1905, from Mr. W. L. Crawford, District Board Member, explaining the cause of his absence from four consecutive meetings of the District Board, held in 1905.

Resolution.—Resolved that it be recommended to Government that Mr. W. L. Crawford's absence from four consecutive meetings of the Board be condoned under the circumstances mentioned in his letter.

III. Read the following Orders of Government for the information of the District Board :—

(1) Government Order No. 5158-62—L.B. (158-05)-2, dated 18th November 1905, ordering that the work of sinking a well near the Chiknahalli travellers' bungalow must be put off as there is no money for it.

Resolution.—Recorded and resolved that the extreme necessity for a well in the compound of the Chiknahalli travellers' bungalow to afford drinking water for travellers and residents of the place be again brought to the notice of Government with a view to obtaining a grant from Local Funds General to provide for this very long felt and repeatedly represented want.

(2) Government Proceedings No. 7460-78—Ml. (370-05)-1, dated 18th January 1906, issuing instructions in the matter of the submission of supplemental and revised budgets by Presidents of Municipal and District Boards in the Province.

Resolution.—Recorded.

(3) Government Proceedings No. 8482-3—L. B. (195-05)-6, dated 15th February 1906, according sanction to the completion of improving sanitation at Chikkadlur and repairing the musafirkhana at Saklespur, meeting the cost from the provision of incomplete works.

Resolution.—Recorded.

(4) Government Proceedings No. 8523-4—L. B. (327-05)-2, dated 16th February 1906, according sanction to the work of removing prickly-pear around Kanakatte from the provision of the budgetted work, "dismantling fort walls in Harnahalli."

Resolution.—Recorded.

(5) Government Proceedings No. 8551-2—L. B. (329-05)-2, dated 17th February 1906, sanctioning the revised estimate for Rs. 1,002 for sinking the well at Hanbal.

Resolution.—Recorded.

(6) Government Proceedings No. 8281-2—L. B. (306-05), dated 10th February 1906, sanctioning an estimate for Rs. 2,000 for constructing a 4th class musafirkhana at Mallipatna, Arkalgud Taluk.

V. Read General Assistant Commissioner's yadi No. 977, dated 13th December 1905, submitting the statements of the two sahukars of Sravanabelagola to the effect that Mr. Gowda Padmasetti is not willing to do anything for the dispensary and that Mr. Pommaiya is willing to construct the building and pay Rs. 1,000 towards its maintenance, and stating that it is not possible to arrange for a combined charity as suggested in Government Proceedings No. 1905—L. B. (64-05)-2, dated 24th August 1905.

Resolution.—Resolved that Government be again moved to approve of the liberal offer of Mr. Pommaiya who might also be asked whether he has any objection to the establishment of a Native Vaidyasala at Sravanabelagola, since there is a regular dispensary so close as at Channarayapatna, as the Board would prefer a Vaidyasala to a regular dispensary at Sravanabelagola.

VI. Read Senior Assistant Commissioner's docket No. 89, dated 8th January 1906, submitting the resolution of the Manjarabad Taluk Board in the matter of providing Rs. 200 for repairing Hettur-Yeslurpet road, (a non-budgetted work).

Resolution.—Resolved that as there is no possibility of sanctioning any amount for repairs of the road this year, a sum of Rs. 200 be provided for it in the ensuing year's budget.

VII. Read Government Proceedings No. 8161-2—Med. (179-05)-2, dated 7th February 1906, sanctioning the proposal of the Senior Surgeon to keep things *statu quo* concerning the contemplated additions to the Government Female Dispensary at Hassan.

Resolution.—Resolved that the Board are of opinion that even after completion of the Wesleyan Mission Female Hospital, the necessity of the present Female Dispensary at Hassan would exist as female patients come from all parts of the District, and much will depend on the popularity of the Wesleyan Hospital.

Further the Board are of opinion that, as ordinary repairs such as white-washing and color-washing of the existing Female Dispensary should be undertaken for the comfort and convenience of patients now treated, Government may be requested to reconsider their order on the subject.

VIII. Read Executive Engineer's docket No. 48, dated 8—9th February 1906, forwarding for being placed before the Board a plan and an estimate amounting to Rs. 1,860, for constructing out-houses in the compound of the inspection lodge at Gindehalli, Belur Taluk.
